
USS ARLEIGH BURKE
FAST AND FEARED
DDG 51
COMMISSIONING
JULY 4 th 1991
NORFOLK, VIRGINIA
" . . . let no one doubt that this new destroyer is indeed ready to go down to the sea, ready to do business in great waters."
Arleigh Burke

The USS ARLEIGH BURKE Foundation wishes to extend its sincere appreciation to those individual volunteers and members of various committees who have given so generously of their time and support to make this historic occasion a great success.

(List continued on insert)

Special thanks to all those many volunteers who have been involved from virtually every part of the local and national communities; each has contributed in a very special and significant way. An event of this size and complexity is not possible without the skills, cooperation and dedicated support of these generous people.

A very special "Well done" is extended to the following small group of people who performed above and beyond the call of duty.

Dolores Alcorn
Bobbie Athey
Jean Blasic
Carl Bostrom
